

METHOD STATEMENT

Event: _____

Venue: _____

Company Name: _____

Stand Number: _____

Completed By: _____

Date of Completion: _____

<p>Responsible Person: (The employee who will be responsible for the construction and breakdown of you stand):</p> <p>Onsite Contact number:</p>	
<p>Stand Details & Location: (The loadings, dimensions, location, unusual stand features):</p>	
<p>Access: (Details of the entry point into the halls and the route to the final position. Estimated number of vehicles onsite.</p>	
<p>Erection and Timetable of build: (The sequence and schedule in which all the stand elements will be built, including alignment, electrical connections etc.</p>	
<p>Stability: (Methods of ensuring adequate structural support of any stand element that requires cross bracing, with calculations and inspection certificate from an independent structural engineer. Steps of Erection of stand build).</p>	

<p>Lifting: (Outline the equipment that will be used, their capacities, weight, locations, and floor loadings. Check the operative's current licence or Certificate of Competence; check machine's inspection certificate or maintenance record)</p>	
<p>Scaffolding: (Include details of temporary and mobile scaffolds, access towers and other work at height which you intend to carry out).</p>	
<p>COSHH: (Any proposed use of hazardous and toxic substances must be advised to the Organisers and Venue. Outline the protection provided for employees and workers on adjacent stands)</p>	
<p>Environment: (Consider any abnormal noise that may be present, or work that may create dust or fumes. What ventilation and other control measures will be provided?)</p>	
<p>Services: (Note where electrical work will be carried out, welding, gases, compresses air, water or waste services will be brought onto site)</p>	
<p>Safety Features: (Identify the safety equipment and precautions that you will be providing onsite, including protective measures that you will be implementing for all of the above, and areas of risk as highlighted by your Risk Assessment)</p>	
<p>Exhibits: (Provide the Organisers with any/all details on exhibits that may present a risk to the public and/or the operator. How will this exhibit be delivered onto your stand? What machine guarding or other special requirements are there? What hazardous waste will be produced?)</p>	
<p>Waste Management: (Provide details on how all stand waste for build-up and breakdown</p>	

will be managed. Have you ordered necessary waste/recycling bins through the venue? What measures do you have in place to ensure that you are not heavily fined for any waste left on site.
