- E-mobility charging points available
- Open 24/7
- Access via Lagerstraße for halls A1-A4
- Height max. 2.10m, length max. 5m

**No advance sale of parking tickets!**

### PAY & ENTER EASILY

- By entering the underground car park, your license plate number will be recorded, and the barrier will open automatically.
- To leave the car park, enter your license plate number at the pay machine (for example): HHMC2023
- Pay for your parking and get a receipt.
- As soon as your license plate is paid, you can drive to the exit and the barrier opens automatically.

#### PLEASE NOTE:

To avoid waiting in line after your stay, you can enter your license plate number at the ticket machine right after entering the car park and choose „Day ticket“. That way you can easily drive out within the next 24 hours.
